Properties

When choosing a product of our SAFECAVE series, you are choosing canopies and tents to shield your sleeping space, living space or workspace. As the term SAFECAVE indicates already, you are creating **your own safe cave** against electromagnetic fields.

Shielded canopy, pyramidal shape, for double beds up to a width of 200 cm. The pyramidal shape is ideally suited for rooms with a sloping roof, the sense of space will be restricted due to the slopes. **Entrance:** Through one overlapping opening. **Mounting:** Mounting at one point in the ceiling. **Grounding:** Grounding with our grounding connector magnet [GCM](#) (not included in the scope of delivery).

Sewn with a high quality silver fabric with high transparency and air permeability. **Unique in this price class is the high shielding attenuation of 47 dB.**

Technical data

- Dimensions: Hem circumference 1200 cm (+/- 5% tolerance)
- **Attenuation: 47 dB**
- Color: Silver-beige
- Raw materials: 80 % nylon, 20 % silver
- Scope of delivery: Canopy, mounting material, sewn in ring 60 cm

Attenuation | Grounding

- This product shields **high frequency electromagnetic fields** (HF). The indicated dB-values apply to 1 GHz, view chart for other frequencies. Laboratory report ranging from 40/600 MHz to 40 GHz according to standards ASTM D4935-10 or IEEE Std 299-2006, view report above.
- This product with an electrically conductive surface shields **low-frequency alternating electric fields** (LF). For this purpose a **grounding is necessary**, i.e. an integration into the functional-equipotential bonding (FEB), please find suitable grounding accessories under "Grounding".

Silver products

- Silver products **discolour** with time and often already have discolorations right from the start. If you don't want to accept discolorations, please choose Swiss-Shield® fabrics.
- Silver fabrics have a **limited durability**, depending on the frequency of movement.
- Our silver fabrics do **not contain any nano silver**, but a thick metallic silver coating.

Care instructions

- **Gentle cycle at 30°C** exclusively with our **TEXCARE** detergents
- No ironing
- No drying in tumble dryers
- No bleaching
- No chemical dry-cleaning
